

Ladysmith Driftbuster's April 2009 Monthly Meeting

Meeting was called to order at 19:32 by President Young. Location was the Driftbuster Clubhouse with 14 members present.

Treasurer's Report was presented, and Dave Lemke offered a motion for acceptance which was seconded by Richard Berger. Vote to accept was unanimous.

Secretary's Report was offered up to the membership. Motion to accept was made by Dick Mohr, and Coleen Koditek seconded the motion. Vote to accept was unanimous.

Club Business

Year-end business: we are billing out the expense of grooming 85 miles of trails at an amount of \$xxxxx dollars. Total billing this year will total \$xxxxx, with anything over \$xxxxx coming from supplement. After all deductions we expect to see \$xxxxx.

Landowner appreciation meal: We received a good response from participants over the brunch-style meal. Cedar Lodge has offered to host, and we accept. May 17th is the date.

As part of the effort to notify Landowners, we will take out an advertisement in the local media.

Hawkins Landowner event is April 19.

Election results: All officers re-elected.

Trails

Hraben property south of the river has been sold.

We may look at an alternate route on Doughty Road.

Betty Rydlund property has been sold to the Edgar Berg family.

We may need to repair some sod on the city trail near Young's warehouse.

We should look at getting another 500 metal stakes come fall.

Groomers and Drags: should we run another year and perhaps be able to pay cash for a new groomer? Keep an eye for a decent deal in the fall?

Right rear track on '93 needs work

Look for a 10' drag...Ron will check on drags. Check ebay for drags (no success on ebay for a drag, though googling the word "drag" on the internet produces interesting results not related to snow)...

Next meeting will be September 10 at the Clubhouse.

Motion of adjournment made at 20:38

Respectfully submitted,
Richard Berger
