Landowner's Appreciation Brunch May 17

Landowner's Brunch: The Club is sponsoring a brunch to show our Landowner's our appreciation in permitting access to their land for our trails. Without them, there would be no trails. It will be held May 17th at the Cedar Lodge from 10-2:00. We are looking to have members volunteer to play "host" at this event and help guide, sit, and otherwise assist our guests.

Elections: Elections were held at our last monthly meeting. All officers retained their positions.

Next Meeting: Our next meeting will be held September 10 at the Clubhouse (7:30).

AWSC giving money away! The AWSC has a program where they randomly pick membership names and send out checks for \$50. Our own Jason and Cari Lemeiux recently received a check in the mail. Congrats to Jason and Cari (don't forget who's house you stay at when you travel up here...).

All Seasons Sports Center News: They are holding a 4th Anniversary Sale April 20-May 2. You can get 10% off of all parts and accessories, including special orders.

Call Jim at 715.595.4874. <http://www.allseasonsportcenter.com/>

2008-09: Season of success: Thank you to all of our members for supporting our sport over the past season. Snow and cold came early and stayed, creating a winter where you could actually make sledding plans more than a few days in advance. Our grooming and trail volunteers kept everything in great shape, our Chili Feed workers helped make that event a success, our officers gave of their time unselfishly to make this a fun club to be associated with, our membership is larger than anytime in recent memory (perhaps ever). We arranged for more club rides to visit our fellow county club's events than ever before, showing support for the entire county's sledding efforts. Our business members graciously hosted our meetings, supported us with donations, and hopefully profited through their association with us.

Here comes summer: Here is wishing everybody a safe, enjoyable summer! See you in the Fall.

Sincerely submitted,

Richard Berger-Secretary
