## **Next Meeting 1/22 at the Clubhouse (Chili Feed Planning)**

**Chili Feed Planning Meeting:** This will be held at the Clubhouse on January 22 at 7:30. Please attend if you wish to assist us at the Chili Feed.

**Next Monthly Meeting:** Next monthly Membership Meeting is February 12 at the Hilltop (7:30)

**Business Member:** We thank KwikTrip for renewing their Business membership with us again. Located on the corner of Hwy 8 & 27, convenient to the trail.

**New Memberships:** The Club wishes to welcome several new members this month: George Murray, the Mike Weisenberger family, and the Dan Ducommun family. Thanks for joining the club!

**All Seasons Sports Center News:** All Seasons is featuring a weekly ATV special. This week's special is a 2008 Arctic Cat 500 TRV in lime green with a plow and a winch for \$6900 (only 1 available at this price). Call Jim at 715.595.4874 for this and other weekly specials.

**Fellow Club's upcoming events:** Flambeau Trailtender's Brat Feed January 17 at Flater's Resort (Trail 27) 11:00-3:00. Hawkins Sno-Hawk's Brat Feed is January 31 at the Groomer Shed. 11:00-4:00. Stop by and show your colors...

**Rusk County Ride:** The Rusk County Ride is January 24 at The Backwoods Bar and Grill. Trail 131 and 14A.

**Chili Feed:** Our Chili Feed will be February 7 at The Flambeau Lodge. Mark your calendar!

**Cedar Lodge:** Cedar Lodge has reopened under new management, and is an enthusiastic partner with us in our trail efforts. They have a nice Friday Fish Fry featuring 2 pieces of beer battered (or broiled) fish with choice of potato, relish tray, home-made bread and honey butter for \$6.50.

**Gunboards:** The club has a gunboard at Flambeau Lodge. Stop by and pick your square and win your rifle!

**Membership numbers are up:** Many clubs around the state are struggling to keep members, and we are at a level of 109% of last year's total. Thanks, everybody!

**Stay safe!** We have seen 9 sledding deaths so far this year (as of this writing), so a good time for reminder to drive within your skill level, remember the 55 MPH night-time speed limit on trails, and avoid sledding under the influence.

**New County Bridges:** There are 3 bridges up for construction bids in the County. Over Swift Creek in Big Bend in Section 31. Cranberry Creek in Stubbs (sec 20), and McDermott Creek in Rusk (Sec 1).

**Grooming Aides?:** Ever wonder what it takes to maintain the trail system? Try a ride along in a groomer! Contact Ron Young if interested in seeing how our volunteer grooming crew keeps our trails in top condition.
