Trails

The club needs to contact Joe Neisinger (sp?) to legalize trail across his property.

Is there any signage erected by the Conrath club near the intersection of G & I? Members believe there are signs posted.

Large timber sale in the north part of the county; be careful when riding and grooming.

We have been asked to re-route the trail near the railroad tracks by the Sappi yard. Club may need to push a route through the woods. Sappi wants to pile logs near our latest re-route.

All gates North of Flambeau Lodge are open.

The reroute through Harmon's is complete. Question was raised offering our old brush mower to Mr. Harmon in exchange for trail maintenance. Coleen made a motion in the affirmative. Steve Mohr seconded, and the membership passed it.

Sidewalk near Hwy 27 could pose a problem with current city sidewalk efforts.

Groomers are running well.

3 bridges going up in the SE part of the county.

Business

Chili Feed coming up February 7 at the Flambeau Lodge. Coors has supplied posters. Richard will handle advertising. Pre-feed meeting 1/22 at the club building (7:30). We could use prize donations for the raffles.

Zeny Kuc approached a member asking for a trail into Grant Town for the Stefan Pavilion and offered to become a member. We will allow Mr. Flohr pursue this.

8:40 motion to adjourn by Bob Larson. 2nd by Rachel Young.

Respectfully submitted,

Richard Berger
