

ardwina
thames sailing barge

Thinking of corporate entertainment this summer?

Select a venue with a difference and cater for between 12 and 40 guests.

In association with Land Aid, the Thames Sailing Barge "Ardwina" can be made available for private charter this summer on selected dates through the months of June, July, August and September.

TSB Ardwina is an historic traditional sailing barge, and for £1,750 she's available for charter. Charters made through this promotion will generate a £500 donation in support of the Land Aid Charity.

If you are interested in exploring the options or possibilities further please contact:
