

The Land of Lincoln Satin RBA welcomes you to the Interstate Center in Bloomington, IL for the 2008 National All Satin Show.

We have a large, active membership and many of our members have had experience putting on large shows. For all who have attended a NASS hosted by the Land of Lincoln Club in previous years, this will be another quality show.

The Interstate Center offers a very spacious and comfortable setting with plenty of parking, 2000 new coops purchased by the Farm Bureau in 2005, single tier cooping, air conditioning and plenty of lighting and good ventilation.

Please join us in the showroom on Friday, April 25th at 5:00 p.m. for Hors D'oeuvres including cold cut meat platter and fresh garden vegetable tray. We will also have iced tea and lemonade available.

We hope you have safe travels to and from our show.
