John Grady 1st Lieut. Camp B. 9th Pa. Cav. having
applied for a certificate of disability upon which to
ground an application for discharge, I do certify that I
have carefully examined this officer, and find that he has
for the last four (4) months had frequent and severe parox-
ysm of Vertigo caused by a diseased condition of the brain.
These paroxysms of late have increased in frequency and
severity till they they now they almost amount to apoplexy
I therefore am of an opinion that he is not capable
of performing the duties of a soldier & is not a fit
subject for the invalid corps -

Second Lieut^r John Ogrady,
Co K, 9th Penn^a Cavalry, having applied for
a certificate on which to ground an application
for a leave of absence; I do hereby certify that
I have carefully examined this Officer and
find he has been afflicted with repeated attacks
of Chronic Diarrhea, also, that he has had an
attack of Retinitis, injuring his sight slightly,
and affecting his health considerably.
He is entirely unfit for duty and should be
permitted to retire from Camp as soon as
possible. A visit to his home, a change of diet
and of air, with relaxation from labor
for a time will in all probability make
him an efficient and valuable duty man.

Unofficially

Approved, & in addition would say
that after a careful examination of this Officer, it is my opinion that a change of climate
& removal from camp are absolutely necessary to his recovery.
