2009 Elroy Fair Dedication

Mr. Bob Brandau

If you have been to the livestock auction at the Elroy Fair, you have most likely heard the familiar voice of Bob Brandau from the Brandau-Hill Auction Service. Bob has donated countless hours to the Elroy Fair Championship Livestock Sale, and he has always been generous in his bidding for the animals that were otherwise drawing miserly bids. Never wanting a young exhibitor to go away disappointed, Bob has been known to bring the gavel down on bids of \$100 or more for roosters or rabbits sold to further a 4-H or FFA member's agricultural project or their education.

~~

A true champion of the rural lifestyle, Bob appreciates the community's support of the Elroy Fair and its livestock auction. He believes there are no people more dedicated than those who have kept the all-American, family-friendly flavor of the Elroy Fair. Bob's role in that endeavor is demonstrated at sale time when he reaches out to the crowd with his calling.

~~

Since before he graduated from Reisch Auction School in 1950, Alice Brandau has stood by Bob's side to support him in his ambitions. Five children, 13 grandchildren, and 2 great-grandchildren follow the legacy Bob has begun by volunteering and giving back to their own communities.

~~

Bob would say that he has been so very blessed to have a job that he loves and to have had the opportunity to sell just about everything. Those of us on the Elroy Fair Board say we are blessed to have had Bob as our livestock sale auctioneer for so many years.

Thank you, Bob!

2008 Fairest of the Fair Julie Retzlaff

"Rise and Shine" all fairgoers!! My name is Julie Retzlaff, and I had the honor of being the 2008 Elroy Fairest of the Fair. During my year I promoted the Elroy Fair by participating in local parades, attending community events, and experiencing the 2008 Wisconsin Association of Fairs Convention representing the Elroy Fair in the Fairest of the Fair competition. I would like to thank the fair board members for making my year so incredibly special and for making the Elroy Fairest of the Fair program possible. Good luck to the 2009 Fairest of the Fair!!

You will have a blast!!

**Regulations for State Aid
Wisconsin Administrative Code Sections Pertaining to Fairs**

ATCP 160.01 Definitions. As used in this chapter:

- (1) "Class" means a grouping in which exhibits may be entered, including an animal breed or age group for animal exhibits; a type of produce, crop or food; or a specific age, age group or educational grade level of exhibitor.
- (2) "Department" as it relates to the organizational structure of a fair, means an animal species, production group, or other principal classification of exhibits. As used in any other context, "department" means the state of Wisconsin department of agriculture, trade and consumer protection.
- (3) "Division" means one of 3 exhibitor group classifications for a fair and is limited to junior division, open division and senior citizens division.
- (4) "Lot" or "lot number" means the numerical designation assigned by a local fair for a specific category of exhibits within a class.
- (5) "Premium" means a monetary prize that a county or district fair awards to an exhibitor after judging all competing exhibits in the class to which the premium pertains.

ATCP 160.02 Premium requirements. (1) GENERAL.

- (a) The state aid authorized by s. 93.23 (1), Stats., may be paid only on net premiums, which consist of total premiums paid less total entry fees received. The department may withhold state premium aid from any fair which does not enforce the animal health provisions required under ch. ATCP 10 for all classes of livestock exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.
 - (b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.
 - (c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.
 - (d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.
 - (e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.
 - (f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.
- (2) PREMIUM LISTS.** (a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3) (c).
- (b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(c) Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.

(3) ENTRY FEES. (a) A county or district fair may charge an exhibitor an entry fee. The entry fee may not exceed 10% of the sum of all premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets. Stall rents shall not exceed \$1.50 per single stall or animal or \$3.00 per box stall for horses; \$1.00 per single stall or animal or \$2.00 per box stall for cattle; or \$0.50 per animal or \$2.00 per pen for swine, goats or sheep. A standard pen for swine, goats or sheep is approximately 64 square feet. Cage rents may not exceed \$0.50 per head for poultry, rabbit or pet exhibits.

(b) Exhibitors in educational and school departments shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

(4) SPLIT FAIR DATES. (a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not

pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit.

(c) The department may pay state aid for the following exhibits or contests in a fair having split dates, regardless of whether the department approves those split dates in advance:

1. Clothing revue.
2. Demonstrations.
3. Favorite foods revue.
4. Dogs.
5. Small animals.
6. Rocketry.
7. Shooting sports.

ATCP 160.03 Exhibition requirements. A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

(1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.

(2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an

exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.

(3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.04 (8).

(4) State aid may not be paid on exhibits removed from the fairgrounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.

ATCP 160.04 Junior fair division; general requirements.

(1) In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

(2) All exhibitors in the junior fair division shall be members of 4-H, FFA, FHA-HERO, Scouting programs, breed groups, or any other recognized youth organization under adult leadership and with an education program approved by the local fair.

(3) Exhibits in the junior fair shall be a result of the exhibitor's own labor and may include a study, merit, or other special project, a skill area or a supervised occupational experience in which the exhibitor is regularly enrolled.

(4) State aid may be used for the payment of no more than one premium awarded an exhibitor under any one premium or lot number in the junior fair division, except when awarded as part of a group in livestock exhibits or in showmanship.

(5) Premiums in the educational department shall be paid directly to the exhibitor who made the exhibit and not to the school or teacher, except for group premiums offered to inter-school competitive classes. No aid may be paid on education department premiums unless a complete list of exhibitors and a complete set of judges' sheets for the education department, similar to those required in other departments, is filed with the department. All educational exhibits shall be displayed at the fair regardless of whether they are judged prior to or at the fair.

(6) If 16 or more animals, items or articles are entered in any

junior fair class, the class may be divided into 2 or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class.

(7) Special educational exhibits may [be] established if the proposal is presented to the Wisconsin association of fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.

(8) Within any junior fair department under subch. IV, a county or district fair may establish special classes where none are specified under subch. IV. Special classes may include classes for grade and crossbred females in the beef, swine, sheep and horse departments. Premiums for special classes created under this subsection shall be equal to premiums for comparable classes established in the same department under subch. IV.

ATCP 160.05 Open division; general requirements.

(1) The total maximum premiums set forth for all places in any open division livestock class, excluding poultry and rabbits, may be divided into premiums for a greater number of places, but the maximum premium offered for any additional place shall not be higher than the maximum for last place in the class.

(2) State aid for premiums awarded for horses in open division classes shall be limited to horses which are owned by the exhibitor.

(3) All animals in any open division class shall be owned by the exhibitor, except as provided in s. ATCP 160.09.

ATCP 160.07 Classes; general requirements.

(1) Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department.

(2) (a) Except as provided under par. (b), no county or district fair may receive state aid for premiums awarded for sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses unless those animals are registered purebreds. Registered purebred status shall be documented by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration.

(b) Paragraph (a) does not apply to dairy cattle exhibited at a county or district fair if a national breed association certifies that those dairy cattle are recorded in that breed association's qualified herd book which records the genealogy of that breed.

(3) Any animal entered as part of a group class may also be exhibited in a class for individual animals.

(4) Boars may not be entered as an exhibit in the swine department unless their tusks have been removed.

ATCP 160.08 Class definitions; individual classes.

(1) DAIRY CATTLE. (a) A spring calf is one born on or after March 1 of the exhibit year.

(b) A winter calf is one whose date of birth is between December 1 of the year preceding the exhibit year and February 28 or 29 of the exhibit year.

(c) A fall calf is one whose date of birth is between September 1 and November 30 of the year preceding the exhibit year.

(d) A summer yearling is one whose date of birth is between

June 1 and August 31 of the year preceding the exhibit year.

(e) A spring yearling is one whose date of birth is between March 1 and May 31 of the year preceding the exhibit year.

(f) A winter yearling is one whose date of birth is between December 1 of the second year preceding the exhibit year and

February 28 or 29 of the year preceding the exhibit year.

(g) A fall yearling is one whose date of birth is between September 1 and November 30 of the second year preceding the exhibit year.

(h) A 2 year–old is one born between September 1 of the third year preceding the exhibit year and August 31 of the second year preceding the exhibit year. A 2–year–old includes a yearling that has freshened.

(i) A 3 year–old is one whose date of birth is between September 1 of the fourth year preceding the exhibit year and August 31 of the third year preceding the exhibit year.

(j) A 4 year–old is one whose date of birth is between September 1 of the fifth year preceding the exhibit year and August 31 of the fourth year preceding the exhibit year.

(2) BEEF CATTLE. (a) A junior calf is one born on or after January 1 of the exhibit year. The calf shall be at least 4 months old at the time of exhibit.

(b) A senior calf is one whose date of birth is between September 1 and December 31 of the year preceding the exhibit year.

(c) A summer yearling is one whose date of birth is between May 1 and August 31 of the year preceding the exhibit year.

(d) A junior yearling is one whose date of birth is between January 1 and April 30 of the year preceding the exhibit year.

(e) A senior yearling is one whose date of birth is between September 1 and December 31 of the second year preceding the exhibit year.

(f) A 2 year–old or older cow is one born before September 1 of the second year preceding the exhibit year and which has calved during the past year.

(3) STEERS. (a) A senior calf is one whose date of birth is between September 1 and December 31 of the year preceding the exhibit year.

(b) A summer yearling is one whose date of birth is between May 1 and August 31 of the year preceding the exhibit year, and which has all milk teeth in place.

(c) A junior yearling is one whose date of birth is between January 1 and April 30 of the year preceding the exhibit year, and which has all milk teeth solidly in place and shows no nicking at the gums.

(4) SWINE. (a) A junior yearling boar or sow is one born between January 1 and June 30 of the year preceding the exhibit year.

(b) A senior boar or sow is one whose date of birth is between July 1 and December 31 of the year preceding the exhibit year.

(c) A senior spring boar or sow pig is one whose date of birth is between January 1 and February 28 or 29 of the exhibit year. A local fair board may subdivide this entry class into January–born and February–born sows or boars.

(d) A junior spring boar or sow pig is one born during the month of March of the exhibit year.

(5) SHEEP. (a) A spring lamb is one born on or after February 16 of the exhibit year.

(b) A fall lamb is one born between September 1 and December 31 of the year preceding the exhibit year.

(c) A winter lamb is one born between January 1 and February 15 of the exhibit year.

(d) A yearling ram or ewe is one born outside the date of birth limitations in pars. (a) through (c). The age of yearlings may be subject to verification by a veterinarian’s examination whose findings shall be final.

(e) A market lamb is one born after Jan. 1 of the exhibit year.

(6) GOATS. Goats may be entered in one of the following individual classes. The age of the animal for determining the appropriate class shall be computed from the opening day of the fair. Male goats and goats with full natural horns may not be entered unless full natural horns are a standard for a specific breed. Does which have freshened shall be shown in the appropriate class under pars. (e) to (h).

(a) Junior doe kid; under 4 months of age.

(b) Senior doe kid; at least 4 months but under 7 months of age.

(c) Junior yearling doe; at least 7 months but under 12 months of age.

(d) Senior yearling doe; at least 12 months but under 24 months of age and the doe is not in milk.

(e) Yearling milkers; under 2 years of age and in milk.

(f) Junior milkers; at least 2 years but under 3 years of age.

(g) Mature milkers; at least 3 years but under 5 years of age.

(h) Aged milkers; 5 years of age and older.

ATCP 160.09 Class definitions; group classes.

(1) DAIRY AND BEEF CATTLE. (a) A dairy junior get of sire shall consist of 3 animals which are the offspring of the same bull. All of these animals shall be under 2 years of age, and not more than one may be a bull. A beef junior get of sire shall consist of 3 animals which are the offspring of the same bull and are animals in the junior calf, senior calf, and/or the summer yearling, bull and heifer classes, with both sexes to [be] represented.

(b) A dairy and beef senior get of sire shall consist of 3 animals which are the offspring of one sire. All of these animals shall be 2 years of age or over. In either a dairy or beef breed get of sire, the name of the sire shall be designated by the exhibitor. The animals need not be owned by a single exhibitor.

(c) A produce of dam shall consist of 2 animals of any age or sex which are the produce of one cow.

(d) A group of 3 best female cattle shall consist of 3 animals of any age which were bred and are owned by the exhibitor.

(2) SWINE. A pen of 3 feeder pigs shall consist of swine of either sex each weighing between 40 and 60 pounds. Any male pigs included in the pen shall be castrated and healed.

(3) SHEEP. (a) A get of sire shall consist of 4 lambs or yearlings, or both, of either sex, from one sire, which were bred and are owned by the exhibitor.

(b) An exhibitor’s flock shall consist of one yearling or ram lamb, 2 yearling ewes and 2 ewe lambs which are owned by the exhibitor.

(c) A junior division pair of lambs may include a spring or fall ram and spring or fall ewe lamb owned by the exhibitor.

(d) A junior division flock shall be comprised of 3 sheep consisting of a yearling or lamb ram, a ewe lamb, and a yearling ewe,

all of which are owned by the exhibitor.

(4) GOATS. (a) An exhibitor’s herd shall consist of one doe under one year of age, one yearling doe and one doe 2 years old or older, all of which are owned by the exhibitor.

(b) A senior get of sire shall consist of 3 does which are the get of one sire, with at least one in milk. The animals need

not be owned by the same exhibitor, but all shall be in the senior age group.
(c) A junior get of sire shall consist of 3 does under 2 years of age which have never freshened and are the get of one sire. The animals need not be owned by the same exhibitor.
(d) A produce of dam shall consist of 2 does of any age which are the produce of one doe. Both animals shall be owned by the same exhibitor.
(e) A dam and daughter shall consist of one doe of any age and its dam. The animals need not be owned by the same exhibitor.

ATCP 160.91 Judging regulations. (1) Judging shall be done at county and district fairs by individuals who are registered with the department and who have knowledge, training or experience in the specific class or classes to be judged as determined by the department. Judging shall be done in accordance with the requirements of s. ATCP 160.92
(3) (a). In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.
(2) Each judge at a county or district fair shall be provided with a copy of the fair's premium book or list of entry classes at least 7 days prior to the opening date of the fair.
(3) No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.
(4) (a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments.
(b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings shall be awarded in any class. When there are less than 8 exhibitor in the class, there shall not be more than 2 in the first group, not more than 4 in the first 2 groups and not more than 6 in the first 3 groups.
If there are 8 or more entries in the class, there shall not be more than 25% in the first group, not more than 50% in the first 2 groups, and not more than 75% in the first 3 groups.
(c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.
(5) If any class of exhibits at a county or district fair is judged according to the regular system, the judges for that class may give only one first-place, one second-place, one third-place and one fourth-place award in that class.

2009 WISCONSIN STATE FAIR ANIMAL HEALTH RULES AND REGULATIONS

SUMMARY

If a fair or livestock exhibition lasts more than 24 hours the sponsors shall appoint a licensed Veterinarian to conduct a daily inspection of all livestock at the fair or exhibition. The Veterinarian shall review all records and test results required under ATCP 10.87. If a fair or exhibition lasts less than 24 hours, all records or test results required by ATCP 10.87 shall be reviewed by a licensed Veterinarian or by the show

chairperson. Records shall include exhibitors name and address, identification of animals exhibited including number, type and description, documentation to show compliance with disease testing and other health requirements, and the livestock premises code, if any, of the premises from which the animals originate.

This is a summary of DATCP animal health requirements for exhibition only. These requirements may change due to animal disease emergence in Wisconsin or other states, for example vesicular stomatitis in the western states. It is always advisable to check with the **Division of Animal Health (608-224-4874)** for the most recent health requirements when planning to exhibit animals. **Animals meeting exhibition requirements may not meet all import or movement requirements for other purposes.**

The fair and WDATCP have the right to make such tests and examinations as may be necessary to determine the disease status of any animal exhibited and to exclude or remove any animal afflicted with or suspected of being afflicted with a contagious or infectious disease. If at any time any animal shows evidence of a contagious or infectious disease, it shall be immediately removed from the exhibit and slaughtered or quarantined as directed by the Department.

CATTLE AND BISON

Cattle affected with ringworm, warts, mange or scab may not be exhibited, unless the Veterinarian in charge determines the ringworm lesions or warts are inactive and incapable of transmitting the disease. Any cattle found with ringworm, warts, mange or scab that are active shall be removed from the premises of the fair.

Cattle originating from within Wisconsin

There are no test or health document requirements for Wisconsin cattle. However, fair management is responsible for maintaining records of persons who have exhibited at the fair, the livestock premises code, if any, and the identification of animals shown for 5 years. Acceptable forms of animal identification for breeding animals are (1) an official metal eartag, (2) a breed registration number, (3) a breed registration tattoo or (4) other identification approved by the department. For steers, either an official identification as listed for breeding animals or the eartag applied at weigh-in may be used. Entry blanks submitted and signed by exhibitors, including one of the forms of identification listed above will fulfill the exhibitor requirements.

Cattle originating from outside Wisconsin

A certificate of veterinary inspection shall accompany all cattle documenting animal identification (see above) and all tests or certifications required. Animals must meet normal Wisconsin requirements for interstate movement.

Steers are exempt from any brucellosis test requirement.

Cattle from Brucellosis Certified Free herds in Class A states may enter Wisconsin without a prior brucellosis test if the certified herd number and the last test date appear on the certificate of veterinary inspection.

All cattle originating from Modified Accredited Advanced states shall have a negative tuberculosis test within 60 days of import. Call the Division of Animal Health for a current listing of these states.

Cattle imported from states not recognizing Wisconsin's Tuberculosis Free status shall be required to have a negative Tuberculosis test for cattle within 60 days of import. Call the Division of Animal Health for a list of these states or review the department's web site at www.datcp.state.wi.us, Animal Welfare & Disease, Importing Animals into Wisconsin.

Cattle originating from Tuberculosis Accredited Free herds (except Michigan and Minnesota) may enter without a prior tuberculosis test if the accredited herd number appears on the certificate.

Cattle originating from Modified Accredited states (**Michigan** and **Minnesota**) must have a permit number and require special tuberculosis testing. Exhibitors should contact the Division of Animal Health at 608-224-4874, well in advance of the fair or exhibition, to determine their testing requirements. Animals for exhibition from Modified Accredited states are required to return directly to the state origin after exhibition.

Cattle from Canada may be exhibited in Wisconsin if they meet current federal requirements to cross the international border.

SWINE

Swine originating from within Wisconsin

All swine shall be accompanied by a Wisconsin intrastate movement certificate stating that the herd of origin has been inspected on the farm within 30 days prior to the exhibition and no apparent disease has been present in the herd for the past 30 days. The certificate must also include all required test documentation.

Swine originating from outside Wisconsin

All swine shall be accompanied by a certificate of veterinary inspection stating that no pseudorabies vaccine has been administered to the swine, and contain all required test documentation.

All swine shall have a negative pseudorabies test within 30 days of arrival at the fair or originate from a qualified-negative pseudorabies herd that is qualified by testing 7% of the herd each month, or originate from a commercial swine herd in a state classified as Stage IV or V. The date of the last monthly test must be included on the certificate.

Swine entering directly from a Stage II state are not eligible for show or exhibition.

SHEEP

Sheep originating from within Wisconsin

Sexually-intact sheep of any age, and all other sheep 12 months of age and older must be identified with official scrapie ear tags or other official individual identification. Sexually intact sheep exposed to scrapie will not be allowed to exhibit.

Sheep originating from outside Wisconsin

All sheep shall be accompanied by a certificate of veterinary inspection. All sheep must be identified with official scrapie ear tags or other official individual identification. Sheep exposed to scrapie will not be allowed to enter Wisconsin.

GOATS

Goats originating from within Wisconsin

Sexually-intact goats of any age, and all other goats 12 months of age and older, must be identified with official scrapie ear tags or other official individual identification. Sexually intact goats exposed to scrapie will not be allowed to exhibit.

Goats originating from outside Wisconsin

All goats shall be accompanied by a certificate of veterinary inspection. All goats must be identified with official scrapie ear tags or other official individual identification. Goats exposed to scrapie will not be allowed to enter Wisconsin.

Goats originating from Modified Accredited states (**Michigan** and **Minnesota**) must have a permit number and require special tuberculosis testing. Exhibitors should contact the Division of Animal Health at 608-224-4874, well in advance of the fair or exhibition, to determine their testing requirements. Animals for exhibition from Modified Accredited states are required to return directly to the state origin after exhibition.

EQUINE

Equine animals originating from within Wisconsin

All equine animals shall be accompanied by documentation of a negative EIA test conducted within the current calendar year and which clearly identifies the equine by registration number, lip tattoos or freeze brand, or a complete description of the equine. Documentation must either be an original

laboratory report VS 10-11 or a certificate of veterinary inspection with the negative EIA results listed.

Equine animals originating from outside Wisconsin

All equine animals shall be accompanied by a certificate of veterinary inspection (CVI) and have been tested negative for equine infectious anemia (EIA) within the current calendar year. The certificate must clearly identify the equine by a registration number, lip tattoo or freeze brand, or a complete description of the equine animal. Equines from Minnesota are exempt from the CVI requirement if all of the following apply: 1) Ownership does not change while the animal is in this state; 2) the animal remains in this state for no more than 7 days; and 3) the animal is accompanied by a report of a negative equine infectious anemia test from the current calendar year.

LLAMAS AND EXOTIC RUMINANTS

Llamas, Alpacas, and Exotic Ruminants originating from within Wisconsin

There are no requirements.

Llamas and Alpacas originating from outside Wisconsin

All llamas and Alpacas must be accompanied by a certificate of veterinary inspection and have official animal identification.

Exotic Ruminants originating from within Wisconsin

There are no requirements.

Exotic Ruminants originating from outside Wisconsin

Exotic ruminants are required to have a written import permit, must be accompanied by a certificate of veterinary inspection, and have official animal identification. A negative tuberculosis, within 60 days prior to import, and a negative brucellosis test, within 30 days prior to import, shall be recorded on the certificate of veterinary inspection which is faxed to the Division of Animal Health (608-224-4871) prior to the import permit being issued.

POULTRY

All poultry and waterfowl must originate from flocks designated as U.S. Pullorum-Typhoid Clean or NPIP Affiliate flock and accompanied by a NPIP certificate or originate from a Wisconsin Tested Flock or Wisconsin Associate Flock and be accompanied by an enrollment certificate provided by the department certifying that they are a Wisconsin Tested Flock or Wisconsin Associate Flock. Sexually mature birds that do not meet these requirements may qualify with documentation of a negative test for pullorum-typhoid (and *Mycoplasma gallisepticum* for

turkeys) conducted within 90 days prior to arrival at the exhibition, and be individually identified with a wing band or leg band. Turkeys that are not going directly to slaughter may not be commingled with other poultry. This may be accomplished by separate housing or controlling the air flow or placement and spacing to prevent movement of *M. gallisepticum* from other poultry to the turkeys. The fair veterinarian should make this decision.

CERVIDAE

Cervidae originating from within Wisconsin

All cervidae must be officially identified, be accompanied by a certificate of veterinary inspection, be enrolled in a CWD monitoring program meeting the requirements of ATCP 10.56 and originate from an accredited TB-free herd, qualified TB-free herd, monitored herd-tested within 90 days of movement, or the farm-raised deer is tested negative on two single cervical tuberculin tests conducted 90 to 270 days apart, isolated and the second test within 90 days of the date of movement.

Cervidae originating from outside Wisconsin

All cervidae must have a pre-entry permit number from the department and approved by the State Veterinarian (phone: 608-224-4886), official identification, a certificate of veterinary inspection, and meet Wisconsin requirements for interstate movement (ATCP 10.55).

Cervidae originating from **Michigan** and **Minnesota** must have a permit and require special tuberculosis testing. Exhibitors should contact the Division of Animal Health at 608-224-4886 well in advance of the fair or exhibition to determine their testing requirements.

DOGS AND DOMESTIC CATS

Dogs and cats originating from within Wisconsin

Dogs over 5 months of age must have proof of current rabies vaccination.

Dogs and cats originating from outside Wisconsin

All dogs and domestic cats shall be accompanied by a certificate of veterinary inspection and have proof of a current rabies vaccination if the dog or cat is five months old or older. See ATCP 10.80 for specific vaccination information.

CIRCUS, RODEO, RACING AND MENAGERIE ANIMALS

All shall have a permit from the Department, and shall be isolated from all non-circus, non-rodeo, and non-menagerie animals at the exhibition. They must meet current import requirements. Phone 608-224-4874 for a permit application.

Fair managers: Please note that this requirement applies to all animals belonging to midway attractions and rodeos.

ADVISORY FOR HOUSING NON-TRADITIONAL LIVESTOCK AND FOR MANAGEMENT OF OTHER ANIMALS WHILE THE FAIR IS UNDERWAY:

The Department makes the following recommendations, but these are not required by statute or administrative rule:

1. Exotic camelids (llamas, vicuñas, alpacas, and guanacos), other exotic ruminants and cervidae are not housed with domestic cattle.
2. Ratites (ostriches, emus, rheas, and cassowaries) should not be housed with domestic poultry.
3. Swine should not be housed with other mammalian species.
4. Bovine viral diarrhea (BVD) is an infectious disease of cattle that can spread rapidly under the conditions of a livestock show. The Department strongly recommends that all breeding cattle exhibited at Wisconsin fairs be properly vaccinated against BVD at least 30 days prior to the show. Exhibitors should consult with their veterinarians regarding the proper choice of vaccine and the correct schedule for its administration.
5. Recommend that cattle be test negative for BVD-PI by immunoperoxidase test and negative for Johne's disease by the ELISA test.
6. Prohibit the use of common watering and feeding troughs.
7. Recommend all vehicles used to transport animals to and from the exhibition, or used at the exhibition, be cleaned and disinfected prior to and after use for this purpose.
8. Require all animals found to be afflicted with a contagious or infectious disease to be promptly removed from the premises.
9. Provide hand wash stations near all livestock facilities.
10. Recommend that all fairs add a space on livestock entry forms for the Premises Registration Code.

JUNIOR FAIR DIVISION

General Rules

Eligibility to enter fair

1. This division is open to members in good standing of a youth organization in Juneau County or the Royall, Wonewoc-Center, New Lisbon, Mauston, Hillsboro, Necedah, and Norwalk-Ontario-Wilton School Districts.
2. Youth under 20 years of age as of January 1 of the current fair year are eligible to enter the Junior Division.
3. **Code of Conduct is required for all Junior Fair exhibitors. See end of book.**

Staying overnight on the fairgrounds

4. Youth under the age of 13 must be accompanied by an adult or older youth member.
5. No exhibitor will be allowed on the fairgrounds after fair events for the day are completed without a signed permit from parent or guardian. The night security will enforce this rule. Copies of permits can be obtained from the secretary's office and will be filed with the fair secretary on entry day or as the need arises. Fair Board members and the night watchman have the right to remove anyone from the fairgrounds.

Overnight passes will be granted for livestock exhibitors only.

Exhibits and judging

6. Exhibitors are responsible for following the guidelines and seeing that their exhibits meet all the stated qualifications. Any attempt toward misrepresentation will automatically cancel premiums earned.
7. Exhibits entered in the Junior Division may not be entered in the Open Division.
8. Youth may enter only those exhibits they personally have competed as a result of projects they are enrolled in (see ATCO 160.04(3)). Youth must show their own animal projects.
9. In the Junior Division, an exhibitor may only show one (1) managerial animal other than from their own family herd.
10. Exhibitors may not enter more than one item in any one premium/lot number or in same department, Junior or Open.
11. Each youth organization may enter only 1 booth.
12. All persons entering Junior Fair exhibits must pay appropriate entry fees. There are no stall fees for Junior Division.
13. All exhibitors must clean their animals' stalls before leaving the grounds.
14. All exhibits will be judged using the Danish System unless otherwise specified.
15. All livestock exhibits must be in place by 4:00p.m. Thursday except as specified in the department. All non-animal exhibits must be in place (their correct building or exhibit area) by 6:00p.m. Thursday, except cut flowers, which are to be in place by 9:00a.m. Friday.
16. Premium checks will be distributed in December through the youth organization's leader.

Note: The Fair Board reserves the right to interpret rulings should questions arise.

Any deliberate manipulation of rules or entries to gain an unfair advantage shall result in forfeiture of ALL premiums and awards as well as possible disbarment for up to three (3) years from the Elroy Fair.

In cases of misrepresentation of registry, the act of entering an animal is giving consent that any proceedings or disciplinary action taken by the Elroy Fair may be published with the name of the violator in any publication.

Any animal may be tested for the presence of any illegal or extra-label use drug or antibiotic.

Animal Department Regulations

See additional regulation listed in ATCP 160.

1. Exhibitors are required to have their animals under control at all times during the fair, including unloading, showing, and loading of animals. Exhibitors will be held responsible for any damages or accidents that may be caused by their animal. **JUDGES AND FAIR OFFICIALS HAVE THE RIGHT TO ASK FOR REMOVAL OF ANIMALS DEEMED TO BE A SAFETY RISK.**
2. All animals must be fitted by the youth exhibitor. Fitting done entirely by an adult for the exhibitor will result in a forfeiture of premium.
3. Entry in showmanship requires another entry in that department and must be entered on regular fair entry, Animal must have been shown by exhibitor.
4. Male livestock must be purebred and eligible for registry in their respective breed association.
5. Each youth exhibitor must show his/her own animals. Scheduling conflicts must be resolved prior to the show by meeting with a fair board members and the department superintendent.
6. Any Junior Division exhibitor in possession of alcohol or any other intoxicant forfeits their premium and/or right to exhibit.
7. All dairy exhibitors entered in showmanship must wear dress whites. All other animal exhibitors are to wear appropriate attire. No logos, insignias, advertising, family or farm names will be allowed on any attire.
8. All dairy and livestock, including milking animals must be in place by 4:00p.m. on entry day and must remain in place until 4:00 on Sunday.

It is expected all people attending the fair practice BIO-SECURITY to insure the safety of exhibits and exhibitors at the fair and at home.

Notes and Memories

**JUNIOR FAIR EXHIBITORS
CODE OF CONDUCT AGREEMENT
Elroy Fair, Inc.**

CODE OF CONDUCT MUST BE SIGNED AND SUBMITTED WITH ENTRY FORM.
EXHIBITS WILL NOT BE ACCEPTED AT THE FAIR UNLESS THE JUNIOR
EXHIBITOR HAS A COMPLETED CODE OF CONDUCT ON FILE.

- All exhibitors with entries in the Junior Division and their parents agree to abide by the rules and regulations governing entries, exhibits, judging, payment of premiums and general rules of the Elroy Fair.
- All junior exhibitors and their parents are expected to behave in a manner in accordance with the code of ethics relative to their recognized youth organization, i.e. 4-H, FFA, Scouts, etc.
- All exhibitors will be expected to:
 - 1) Show respect for the rights of others and be courteous at all times.
 - 2) Respect the property of others.
 - 3) Demonstrate good sportsmanship at all times.
 - 4) Be honest and not take unfair advantage of others.
 - 5) Not possess or consume any alcoholic beverages or any other drugs during the Elroy Fair.
- Any visitor violating the above rules (as determined by the Elroy Fair Board members, Junior Fair Superintendents, 4-H Adult Leader Executive Board members, judges, UW-Extension staff or law enforcement officials) will be subject to any one or all of the following consequences:
 - 1) Notification of parents.
 - 2) Removal of individual and any or all of his/her exhibits from the present year's Junior Fair.
 - 3) The individual may be required to appear before the Elroy Fair Board to explain his or her actions.
 - 4) Revocation of privilege to enter exhibits in future Elroy Fairs.

~~~~~  
We have carefully read and discussed the above rules and consequences and agree to accept them as appropriate for a Junior Fair exhibitor. **You may submit one form per family.**

# Youth Poultry Permit

This permit must be returned to fair secretary by exhibitor with

- Fair Entry
- Copy of proof of purchase of poultry being exhibited OR copy of Wisconsin Tested Flock certification

Starting March 1, 2006, the emergency rule of showing and selling poultry in Wisconsin is in affect. There is an exception for youth agricultural organizations exhibiting at a county fair: " Birds purchased from a NPIP (National Poultry Improvement Plan ) participating flock, affiliate flock, Wisconsin Tested flock or a Wisconsin Associate flock may be exhibited without further testing provided all of the following apply:

- 1) The youth group leader verifies that the birds were purchased from a NPIP participating flock, affiliate flock, Wisconsin tested flock or a Wisconsin Associate flock (proof of purchase which can be a VS form 9-3 facsimile, Wisconsin Tested Flock Program form or invoice containing producer's name, address and certification number).
- 2) The youth group leader certifies in writing that **non-certified birds are not present on the premises.** (If non-certified birds are present, exception for youth is void and regular rules apply).
- 3) The youth group leader issues a written permit, signed by the youth leader stating the above information is correct, the date the permit was issued and the person to whom the permit was issued.
- 4) The exhibitor presents both the proof of purchase and the written permit (this form) for entry to the county fair.

This permit is issued to \_\_\_\_\_, poultry exhibitor at the Elroy Fair.

I certify that the birds to be exhibited by \_\_\_\_\_ at the Elroy Fair were purchased from an NPIP participating flock, affiliate flock, Wisconsin tested flock or a Wisconsin Associate flock.

I certify that non-certified birds are not present on the premises where the birds to be exhibited by aforementioned exhibitor are housed. Non-certified birds are any chickens, geese, ducks, guinea fowl, etc. over 4 months of age (turkeys, 6 months of age) when they are considered sexually-mature. (Alternative methods of certification are necessary if this is the case.
