USS Oberon is a local not-for-profit Fan-Club affiliated with *Starfleet International* which is for the enjoyment of *Star Trek* and Science Fiction. The *USS Oberon* was founded with the ideal to further Gene Roddenberry's positive vision of the future, and to nurture the human resources that will build that future. Because we are a local *Starfleet International* Charter we have access to a world-wide organization with hundreds of chapters as well as *Starfleet Academy*, a fun and educational way to 'bone up' on science fiction shows and departments. Annual membership provides you with one bimonthly subscription of our newsletter per household and access to chapter activities.

To join *USS Oberon*, complete this form and mail with a check/money order (US Funds payable to *USS Oberon*) to: *USS Oberon* - 6105 Clark Mountain Road Lotus, CA 95651-9728
