MY BIOGRAPHY

I am a graphic designer from Westfield, Massachusetts with fifteen years of professional experience. I am a problem solver, driven to produce aesthetically pleasing designs. I strive to inspire and create emotional connections through my work. I have a reputation for reliability, with a career track record of successful accomplishments. I am a results-orientated, and creative professional with design experience in newspaper and magazine print advertising. I have Marketing experience for both print and digital media, with an expertise in developing logos and branding, along with experience creating display advertising and publication layouts. I am proficient in managing complex graphic design projects from concept to completion within time and budgetary constraints. I have excellent interpersonal skills and I can assist clients with their diverse marketing needs. I have experience in photography, working closely with clients to provide high end photography to be applied in both print and digital media. Proven experience, managing complex photo shoots with local photographers as well. My technical experience includes Adobe Creative Cloud, photography, and knowledge of HTML, and CSS.

WORK EXPERIENCE
