Web site has been revamped and is looking really good Mark would like information from head of sections. Each section has space on the site. Please note photos are welcome but we might need to get more space if there are too many.

Newsletter is term time

Rentokil came and cleared drains off a dead bird and sanitary products. Insect repellent to be installed and we have taken out a contract with them at £99 per quarter/month. They also quoted £920 for a deep clean of the building.

Toilets, we are still waiting to hear from Tracey. Hilary phoned and they are still to be done but not until after summer!

Alan will speak to Tony and ask him for a quote to get the toilets done as soon as possible and the club will pay.

We will get a filter installed to allow us to have fresh water in the gym we need this to run courses as well as an ice machine.

There has been a change of date for the level 2 course.

The grade 2 acro coaches can apply for a council grant.

Hilary asked about cleaning still only being done by a few people, the fees will need to rise to cover the cost of professional cleaners coming into the gym

At the EGM on 29th May it was agreed to accept the up dated constitution allowing us to become a charity. There was an issue about who was a member and who has the right to vote therefore another EGM has been called for Wednesday 18th June at 6.30pm to clarify membership and voting rights.

Next meeting will take place on Wednesday 18th June 2008 at 7pm in Greenhills Sports Centre.
