British Gymnastics have introduced new badge work – All gymnasts will work towards new badges. No one will lose their level and any changes will be brought into line

Recently the gym has become increasingly more untidy and unclean, the cleaning is done by 2 parents and the coaches we need more parents to help out or classes might be cancelled until cleaning is done.

Fundraising

The recent race night was badly supported by parents! We need your help to fundraise to allow us to update equipment etc. Over the last few months we have spent £950 on mirrors for the bothy, £3500 on crash mats, chalk bins, a beam cover and a spring board. In 5 years we need to replace the sprung floor which will cost roughly £20,000. So we really need your support with fundraising as other equipment needs to be replaced e.g.: tumble track, bars, repainting of gym the list is endless.

Easter egg competition winner Carolanne Aitken runners up Amy Scott, Daisy Jones, Connor McLeod, Emily Englebretson, Lindsay Robertson and Emma
