

Note: God looks on everyone who believes in Jesus Christ as His child. If you believe in His name you have already received eternal life even though you may not feel it or think you deserve it. When President Lincoln issued the Emancipation Proclamation it legally freed all slaves. Yet ten years later there were still some slaves working on plantations. Why? Because they did not believe the good news so to them they were not freed. When Jesus died on the cross He gave us ALL new life through Him. However if you do not believe this it will also not be true for you as well.

**13. If we hear and believe God's word what will be the result?
John 5:24**

**14. What happens when you accept the gift of Christ's
righteousness? 2 Corinthians 5:17**

15. What ministry does God give us? 2 Corinthians 5:18-21

Note: God has given all of us a choice. We can either decide to be "in Adam" or "in Christ." There is no middle ground. It was not our fault that we were born "in Adam" but it is our fault if we decide not to be "in Christ."

**16. What do you hear God pleading to you today?
Deuteronomy 30:19**

Conclusion:

**There is nothing we can do of ourselves to merit salvation.
This comes to us only as a gift from God.
God paid too high a price for us to ignore
His incredible sacrifice for us.
Why not receive this gift today?**

HOW GOD SAVED US

In our last lesson we learned that we are all sinners in need of a Savior. We learned that we of ourselves could never live up to the supreme standard needed to gain entrance into heaven. Because it was not our fault that we were born sinners, God did not leave us to ruin but devised a special plan where we could all be saved.

1. What are the consequences of sin? Romans 6:23

2. How do we know that we are all sinners? Romans 6:23

Note: Yes, because we all eventually die! Evidently this principle of sin leading to death was so firmly entrenched in God's kingdom that He Himself could not change it for us. If He could overlook the sin problem in us, how could He expect order and harmony in heaven? No, He devised a rescue mission for us and He appointed the apostle Paul to communicate it to us. The word gospel means good news. And when you discover what this gospel is you will agree that the gospel truly is good news.

In reading Paul's writings you will find a key phrase that runs all through his letters. That phrase is "in Christ" or "in Christ Jesus." Similar phrases such as "in Him" or "together with Him" or "in the Beloved" or "in Whom," etc., all express the same idea. If we do not understand what the Bible means by this expression, "in Christ," we will never be able to fully understand the good news of the gospel.

3. When did God devise this plan for us? Ephesians 1:4-5

4. What did God do? Ephesians 2:4-6; 1:9-10

Note: Because death spread to all mankind because we were all “in Adam,” so God devised a plan where we could all be saved “in Christ.” The Father took the human race and corporately united it to His Son. But first Christ had to qualify to be our representative and Savior by consenting to be made human. God the Father united the life of His Son to our humanity in the womb of Mary. That is why Jesus is called the second or last Adam. It was the only way that He could represent us by consenting to be made like one of us. And when He died He took us all with Him (humanity through His birth) to meet the demands of our sins. His deeds of righteousness became our deeds of righteousness. We are legally redeemed.

5. In order to save mankind, in Whom did God put us? 1 Corinthians 1:30

6. What will happen to all who are in Christ? 1 Corinthians 15:21-22

7. Through one man’s sinful act what came to all men and what was the result? Romans 5:18 (first part)

8. Through one Man’s righteous act what came to all men and with what result? Romans 5:18 (last part)

Note: Just as all die because all have sinned “in Adam,” so also all have obeyed “in Christ” and stand justified to life in Him. By His perfect life and sacrificial death He satisfied all the demands of the law on our behalf. In Christ humanity has a new history that qualifies every believer for heaven.

*Many people believe salvation is just the forgiveness of sin. It’s as though our sins are written on a blackboard and that when Jesus died He was like an eraser that erases all our sins. **But this is not what the Bible teaches!** Yes, our history or sins are written on a blackboard and Jesus is like an eraser but our slate does not remain empty. **All of the good and holy and righteous deeds that Christ ever did are now transferred to us and are now written on our blackboard. This is the incredible good news of the gospel!** But please notice that what God has brought to the whole human race by Christ’s obedience is a free gift and it cannot be ours unless we receive it.*

9. At what point do we become included “in Christ?” Ephesians 1:13-14

Note: The moment you accept Christ as your Savior and you trust only in Him for your salvation God looks at you as accepted in the Beloved. It’s as though once you’re born you received a special birthday present from God. It’s up to you as to when you open that gift and receive what He has given you.

10. What are the two options we have regarding this gift of life from God? 1 John 5:12

A. _____ B: _____

11. What assurance does Paul give to those who believe in the Son of God? Colossians 1:22

Note: Though you may be a sinner, in God’s eyes you are now considered perfect, blameless, and without fault. This gives us peace with God and allows us to stop worrying about our salvation.

12. If we believe in Jesus what do we become? John 1:11-13
