

FUTURE DOCTORS OF AMERICA CLUB

**Welcome, future doctors- to the one club that
will make you even more excited to pursue a career in
the medical field!**

WHY SHOULD I JOIN?

Well, most likely, you are here today because you are interested in the medical field or want to learn more about it...that's a start. Now, here's a preview of what we will be doing this year...take a look:

- SPEAKERS
- POSSIBLE FIELD TRIPS
- WONDERFUL, FULFILLING VOLUNTEER OPPORTUNITIES
- MEDICAL SHOWS (YOU ALL KNOW YOU WANT TO WATCH RERUNS OF ER! 😊)

SPEAKERS

- Premed students from top universities such as UC Berkeley
- Interns
- Students attending top medical schools such as UCSF
- Physicians

*Although I have already compiled a list of speakers, it is always great to have more. So, if you guys have 'connections' with doctors, feel free to invite them to our club—if they have time to spare, of course!

FIELD TRIPS

- Medical conferences
- Hospitals (obviously).
- SUGGESTIONS?

VOLUNTEER YOUR TIME!

- I will be creating an organization (hopefully in collaboration with other clubs to help out charities and the community—I'd like to focus on local and small charities as opposed to huge charities that already get many funds. But either way, donating to charities is excellent.

Names: "**Helping Hands**"...? Other ideas welcome ☺

- Huge formal fundraiser hopefully towards the end of the semester where we invite representative from charity of our choice, and doctors, etc...to raise money.
- Ongoing fundraiser for charity: money/coin jar where we deposit change into jar, and count at end of semester, then donate.

OTHER CLUB AFFAIRS

- Leadership Positions Available: Vice President, Treasurer, Publicist, Event Coordinator
- OCTOBER 16-20→ Club Fair! Do we want to sell something? Or do we want to use this opportunity to recruit more members?

Fundraisers for our own benefits (meaning things we sell for our own use—not for charities)→ to buy club t-shirts, to pay for field trips...

THANKS AGAIN FOR COMING, AND WE WILL HAVE LOTS OF FUN! 😊

SARAH ALAOUI
PRESIDENT
