Currently there are eleven playgroups operating from the Centre. Each has its own Coordinator and operates independently according to the needs of the Group.

A Volunteer Committee is responsible for overseeing the running of all the Groups and meets once a month to discuss any problems, future initiatives, etc and all members are welcome to attend.

TOY LIBRARY

Operates:

1st and 3rd TUESDAY: 7.30—8.30 pm
Every SATURDAY: 9.30—11.00 am

Our Toy Library stocks a wide range of fun and educational toys (indoor and outdoor), musical tapes, puzzles and games. For an annual fee, plus a small charge per item, families can borrow toys for a two week period. A great way to make all those wonderful (*but expensive!*) toys available to your children.
