

Hey kats and kitties, it's getting to the end of another summer and that means it's time for the

7TH ANNUAL LOS GATOS DIABLOS BACKYARD HO-DOWN

This years line-up is still in the works but promises to include such tried and true acts as; **LGD, GOUDA (10th anniversary reunion), Matt MF Tyner, Surf Zombies, OAO3, Lugnot**, and, if we all pray really, really hard maybe, **just maybe a visit from the King His'self!!!** If you've been before then you know that **Saturday, August 25th** is the day of the official bash, but that if yer feelin' the need to amscray out of wherever you is that yer more than welcomed to come on down as early as Thursday (the 23rd, not this Thursday knucklehead), and start campin' out. Hike, bike, hit the beach, drink heavily... whatever you like to do when you hit the woods c'mon down and git it on!

If yer a newbie lissen' up. **Saturday, August 25th from about 3p to 3a** down **at the Los Gatos Diablos secret militia headquarters** we're havin' a big ole bash with a big ole bon fire and a bunch of our friends and dogs and git-boxes and stuff. It's gonna be a fraccas! **Yer welcome to come on down and camp or stay up or do whatever**, but you really shouldn't try to make it too far when the whole thing is over. **Check out www.losgatosdiablos.com for Motel info**, and if you would like to camp at the National park accross the street you can find some info on that there too. Yer welcome to the yard, driveway and porch as well.

Don't forget that **the LGDHQ is in Indiana, along the South Shore Train Line**. Take the train to the Beverly Shores stop. Be sure to tell the conductor to stop there or they'll just keep on going. Get off the train, go accross the tracks, the street and walk towards the campgrounds. Directly accross from the entrance to the National park campgrounds is the spot.

If yer driving, get yerself to Interstate 94 and take exit 26B onto Hi-way 49 going north away from Chesterton. Now, it gets a little funny here. You want to exit from 49 onto Hi-way 12 going East. Follow the signs to the train station and look out for drunks!!! We'll have been in the woods for days by this point. Once you pass the train station you drive about 6 miles until you see the first stoplight you've seen since the Smokey the Bear sign. Turn right there and follow around to the left. Look for the party in front of the campgrounds.

This invitation is also a coloring competition.

You can goto www.losgatosdiablos.com for other pictures to color or to find out how to get your finished works posted to the sight. You can also bring them to the party, that's where the prizes will be anyway!

Any questions?.. hit the website. We'll start checking it about the 10th.

Rock out!!!!!!
