Important Notes

Happy New Year!
Welcome Back!!

Reading Calendars will start January 12 and will be collected January 20. 80 minutes will be checked each week

Bears were sent home for Hibernating Habitats-our January Family Project.

Field trip permission slips were sent home as well!

Language Arts

We worked on the short e sound. We did lots of writing this week! We wrote about our families and researched facts about penguins. We are still talking about nouns and verbs.

Social Studies

We talked about why it is important for people to get along. We discussed rules and directions including the ones in our classroom and school.

Math

We are working on symmetry and fractions. We have learned about halves, thirds, and fourths.

Science

We talked about plants and oxygen. We learned about marshes and rain forests and how animals get their food.

Religion

We know that we should care for God's creation. We took our Unit 2 test. We are learning about God's son Jesus. We are working on the Guardian Angel Prayer and Glory Be.
