Important Notes

Progress Reports were sent home in Wednesday's envelopes as well as Reading test scores. Please let me know if you would like to see the reading test. Please return the signed progress report by next Friday.

Language Arts

Remember me the silent e! Most words with e at the end (take, cake, made) make the first vowel say its name. We are still working with verbs in our writing.

Math

We counted pennies, nickels, dimes, and quarters. Please practice counting on with these coins.

Social Studies

We wrote a paragraph about Abraham Lincoln. We wore our "future president" stickers proudly!

Science

We talked about reducing, reusing, and recycling and how it is important for our Earth. We talked about the tools we use to measure the weather.

Religion

We care about our family and friends. We are learning that Jesus sends us the Holy Spirit as our helper. We talked about St. Dominic Savio.
