Important Notes

Please keep sending in donations for our Auction item! We are collecting \$5 as well!

Next week, some pirates will be coming in and teaching us about water conservation!

We will start going to weekly Lenten prayer services.

Language Arts

We worked with long o words. We are continuing to work with contractions like don't, I'll, and wouldn't. We fixed five sentences about George Washington or Abraham Lincoln as our Daily Language Activity.

Social Studies

We learned about goods and services. We worked with a picture graph. We made George Washington for an art project.

Math

We are making tables with coins and comparing amounts. We learned how to make purchases and what change we would get back. We added and subtracted money.

Science

We talked about geology and fossils. We watched a video about taking care of our teeth and why it is so important!

Religion

We know that the Holy Spirit helps us make good choices. We learned about Lent and how we are followers of Jesus.
