## Important Notes

Please keep sending in donations for our Auction item! We are collecting \$5 as well!

We will be sharing treats on St. Patrick's Day and the first day of Spring!

Chester the Chick loves spending the night with the first graders! We love to hear the stories of his travels!

## Language Arts

We worked on the long u sound. We loved being cattle wranglers this week doing silly stories about cowboys and mules. We wrote about what wishes we would ask for if we caught a leprechaun.

## Social Studies

We learned about great inventions and thoughts. We realize that inventions help make things easier for us. We studied the country of Brazil.

## Religion

We are talking about the fruits of the Holy Spirit and how they are helpful to us! For our Character Counts project we focused on the Character: Trustworthy.

## Math

We worked on fact families to 12. We know that you can only use numbers that are in the same family. We also worked on our graphing skills.

## Science

We talked about the four seasons and focused on snowy weather. We worked with bar graphs. We made lions because we know that March comes in like a lion and goes out like a lamb!
