Important Notes

Please keep sending in donations for our Auction item! We are collecting \$5 as well!

We will be taking our Unit 4 Reading Test next week.

Chester the Chick loves spending the night with the first graders! We love to hear the stories of his travels!

Language Arts

Our whole week focused on jokes and riddles and we had a blast! We also worked with compound words like sunshine. We reviewed realism vs. fantasy and also contractions. Practice writing by sounding out at home! It helps us become great writers!

Social Studies

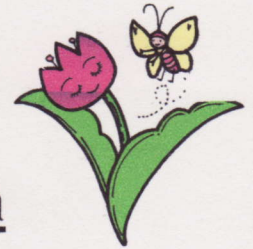

We talked about life in the past and why history is so important. We learned about Native American tribes-the Navajo and the Seminole.

Religion

We learned ways to pray to the Holy Spirit. Fr. Herb came in and talked to us about St. Joseph's Day.

Math

We worked on different names for numbers and choosing the right operation (do we add or subtract?) We also took our Chapter 8 tests.

Seasonal

We did a leprechaun graph and also sorted and did math problems with Lucky Charms. We made leprechaun traps and the leprechaun turned them into hats!
