Important Notes

Field trip permission slips and money are due next week!

Thank you for all of the supplies you have donated!

Look for interims going home next week-you can keep track of most grades on the Teacher Ease program!

Book Orders went home this week.

Language Arts

We are working with adjectives (describing words). We are learning the difference between fact and fantasy in our stories. We are seeing the differences between words, phrases, and sentences.

Social Studies

We talked about different homes and neighborhoods. We know how to read addresses. We worked on problem solving and why it is important to have and follow rules.

Religion

We learned about different types of churches and talked about the special events that we see in our church. We talked about the difference between a cross and a crucifix.

Math

We took our first test and cumulative review test. We worked with bar graphs, ordinal numbers, and we used pattern blocks to make scarecrows.

Science

We learned about different habitats for animals. We went on a leaf hunt! We also talked about apple farms.
