Important Notes

We made our Walk-A-Thon shirts! Thank you to Mrs. Meifert, Mrs. Shroba and all of the first grade parents that came in and helped!

Our field trip is next week-September 15!

Keep collecting those box tops!

We will be taking our Unit 1 Reading test next week. A note is going home in this week's envelopes.

Language Arts

We worked with nouns and did some writing with different kinds of nouns. We learned that when 2 vowels go a walkin-the first one does the talkin! For example in the word treat you hear the e sound but not the a!

Social Studies

We learned about different modes of transportation and compared transportation from the past and of today. We worked on chart skills.

Math

We are using counters, pictures, and symbols to add. We have worked up to the sum of 8. Please practice addition at home! We have graphed everyday!

Science

We talked about forest habitats and wetland habitats and the different animals that live there.

Religion

We learned that Jesus is always with us. We talked about what we see in our church and what those things are used for. We did our Unit 2 review.
