Important Notes

We are very excited for Red Ribbon Week and Halloween next week! We can't wait to get together with our 6th grade buddies!

Walk-A-Thon money is due next Friday.

Angels are due next week.

Thank you to everyone for making my birthday very special this year!

Love,

Mrs. Sondej

Language Arts

We read two stories in our reading book and are working on vocabulary and comprehension! We love to buddy read and highlighted short a sounds in our take home book! We are using context clues to help us read our stories.

Seasonal

Thank you to Mrs. Gibbs for coming in and teaching us about our eyes! We got so many things in our goody bags!

Religion

We learned how people in Bible times praised God. We learned how to praise God in sign language. We talked about Moses and how he saved the Hebrews.

Math

We took our Unit 2 Cumulative Review. We are starting subtraction by using counters, pictures, and crossing out. Please practice addition and subtraction at home.

Science

We talked about what helps animals live in their habitats. We also learned about how animals get food.
