Important Notes

All disguised turkeys can be found on our website! Go to Classroom Activities and click on November!

Have a wonderful Thanksgiving break! I am THANKFUL for all of you!

We will celebrate St. Nick Day on Dec. 5

Language Arts

We worked in groups to illustrate a sentence that we took from "The Old Lady Who Swallowed a Pie". We also got rhyming "pies" and had to work with a partner to make sentences with the rhyming words and an illustration.

Social Studies

We watched a video online about how difficult it was for the Pilgrims when they first got to Plymouth and how the Indians helped them. We learned that they had a feast for days!

Religion

We did a "Character Counts" project focusing on responsibility. Mrs. Moline brought her dog Benny in and we talked about the responsibility of taking care of pets. Benny loved meeting all of the first graders!

Math

We worked on counting back 1, 2, and 3 places. We are working with doubles to subtract. For example if $2+2=4$ then $4-2=2$!

Seasonal

We made Mayflowers with craft stick sails and pilgrims. We also made pumpkin pie with cinnamon on the top! We loved the smell of our Thanksgiving pies!
