## Important Notes

4th quarter interims will go home next week as needed.

I will be at a conference all day on the 29th.

We will start celebrating summer birthdays next week!

## Language Arts

We worked with the long i sound and made knights with long i words. We learned about cause and effect in our stories. We did "hamburger" writing about what we want to be when we grow up.

## Social Studies

We learned about Abraham Lincoln, Martin Luther King Jr., and Susan B. Anthony. We learned how to find the main idea of a story. We talked about Veterans Day.

## Religion

We talked about life in the first Christian community. We learned about ways that we can act like the first Christians.

## Math

We are measuring centimeters and inches with our rulers. We are learning about length, height, and weight. We are excitedly measuring everything in the classroom!

## Science

We made Earths out of coffee filter for Earth Day and listed many ways that we can take care of our Planet. We are working with matter and how it can change (evaporation).
