Important Notes

I will start collecting Reading Logs April 7!

If you were given a Mass part, please practice! We have been practicing in the classroom and at Church.

We are praying the Act of Contrition and the Guardian Angel prayer to help us get ready for 2nd grade! They are on our prayer sheets and on our website.

Language Arts

We worked with contractions and the long a sound. We are writing by sounding out. We also worked with adjectives that tell the color and shape of a noun (a blue ball or a square book).

Social Studies

We talked about being good citizens and the process of voting.

Science

We talked about wind and water. We looked at weather all around our country. We also learned about recycling gym shoes and how they can be used for playgrounds and gym floors.

Religion

We learned about life in the first Christian community. We wrote a prayer to the Holy Spirit and listened to prayerful music.

Math

We started learning about telling time. We ordered events, worked with minutes and hours, and know the hour hand and the minute hand on a clock. We each have a clock to work with. We loved reading Eric Carle's A Grouchy Ladybug and moving the hands on our clocks. We learned how to tell time to the "o'clock".
