What an exciting first week in first grade! We enjoyed getting to know all of our friends, both old and new and our teachers Mrs. Sondej and Mrs. Moline.

We are learning where things are in the classroom and what our rules and routines are going to be. We read "The Kissing Hand" by Audrey Penn and did some fun activities. We can't wait to get our Mom and Dad's Kissing Hands!

We started morning calendar and our 100's chart. We're anxious to know what our classroom jobs are going to be! We made self-portraits and they turned out great! We did have one homework assignment which we wrote in our assignment notebook: Let me Introduce Myself!

MOOSE Books

We learned about our MOOSE Books. Please make sure you look at your MOOSE Book every night and bring it to school every day! Only take out the "Keep at Home" and "Homework" papers. We need our calendar and 100's chart everyday! Check our assignment notebook as well!
