Synopsis

Cupid finds only failure when faced with the prospect of creating a lasting relationship in today's society. Upon striking his target, he gets a glimpse into their future and after watching three relationships disintegrate, Cupid seeks to end his existence. But can love really die?

Director's Biography

Katie T. Damien was born in Ft. Lauderdale, Florida, but grew up in Alachua, Florida. She is a recent graduate of the University of Central Florida's film school. She loves to write and direct movies and hopes to one day make a living out of it.
