

I pull up in my car; I'm a civilian to some,
But the brothers know that the Man has come.

I slip a \$100 bill to my girl, Kenny McCoy

to tell me Willie got popped by one of his boys;

But the bag in the back's about a key and 1/2,
I said, "I'll put it in my trunk." and we started to
laugh.

'Cause I'm the **Bad Lieutenant**.

A nun got rared behind angel dust & rum,
, And in Spar&h Harlem, that's the ultimate
bummer
