- 16:43:24 - "73. Kilo Golf 6, say again callsign, please."
- 16:43:37 - "Kilo Golf 6 Papa Oscar Mike, you're a little bit weak but readable. QSL?"
- 16:43:47 - "OK, KG6POM, signal strength just increased significantly. Thanks for the contact. 73."
- 16:44:08 - "CQ Wyoming. CQ Wyoming. NA1SS. CQ Wyoming and North Dakota."
- 16:44:43 - "Whiskey Delta 8 Papa Fox Sierra, NA1SS. QSL?"
- 16:44:54 - "OK Justin, go ahead."
- 16:45:01 - "I'm sorry, Justin. I missed part of that. Could you repeat the question?"
- 16:45:17 - "Justin, that's a very good question. My crewmate Valery and I have had advanced first-aid training. We have a lot of good medicines onboard and very good medical equipment. So, we would first try to treat the sickness or the injury ourselves. And, then, immediately call the ground and get advice from doctors on the ground. Over."
- 16:45:51 - "We launch the space station one piece at a time. It now weighs 400000 pounds. That's like almost 200 cars, is how much the space station weighs. And we launched pieces on both the Space Shuttle and on Russian Proton rockets, and then put them together in space. Over."
- 16:46:30 - "73s, Justin. NA1SS, CQ Wyoming and North Dakota."
- 16:47:40 - "CQ Wyoming and North Dakota. This is November Alpha 1 Sierra Sierra. CQ stations in Wyoming and North Dakota."
- 16:47:52 - "Whiskey 7 C-A-T, NA1SS. Thank you very much for the contact. 73s. I'm trying to get confirmation on Wyoming and North Dakota, so if you could send in a QSL card that would be great."
- 16:48:32 - "I copy K-Zero, I believe, Zero India Delta Bravo, South Dakota, NA1SS. QSL?"
- 16:48:54 - "OK, K-A-Zero India Golf Bravo, QSL?"
- 16:49:11 - "OK, thanks for your patience. Kilo Alpha Zero India Golf Victor, NA1SS. I think I got it then. QSL?"
