Welcome from your Reunion Organizer!

Hard to imagine that 15 years have gone by since we were in high school?!! Remember the awesome Tiger Pride?!! What a fun time for us to come together to rekindle those moments and special friendships and a great way for all the 1991 classmates to really see what we've become of ourselves!

If you attended the 10-year reunion back in 2001, maybe you noticed how thrilled everyone was to see each other once again and how all we talked about was our jobs and our families...[I absolutely remember how fellow classmate, Eric Cotta, was gleaming about his baby girl!] As this year's reunion

organizer, I felt it would be a perfect idea to include our families for this 15-year reunion event. A special thank you to Julie Hansen (Oliveira), who organized the 10-year reunion, for her assistance and passing along her information to me.

I hope you truly enjoy your day and find new friendships and many more memories to take with you.

It takes months of planning a fabulous event; and a 20-year Celebration is one to be most memorable! From researching classmate whereabouts and sending out invitations to hiring a caterer and selecting a venue, your assistance is absolutely needed. We can take this opportunity during our 15-year gathering to get a head start and brainstorm about any ideas...(i.e. coming up with a theme, adding some activities, determining a location, etc.)

A **20-year Reunion Committee meeting** will be headed by Kelly Duncan (August) and is scheduled for **2:30 pm** today. Any classmates are welcome to participate in this committee meeting and contribute their ideas.

- ◆ Bubbles
- ◆ Frisbee Throw
- ◆ Gift bags

"We graduated in 1991; back then we didn't think of the year 2000, let alone 2011, the year that we will celebrate our 20-year reunion! What an awesome time that will be!"
