

All over the world this gospel is bearing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all its truth. Col 1:6

HEY PARENTS!

Lutheran Youth For Christ could be just what you and your teen are looking for this summer! LY₄C is having a one-week Christian summer camp for high school youth (just graduated eighth grade through graduated seniors.) During the week, we focus on topics relevant to teens and how these affect their Christian lives. Along with opportunities for spiritual and personal growth, we have a lot of FUN!

This year, camp will be held at Camp Daniel Morgan in Hard Labor Creek State Park, near Rutledge, GA. Camp Daniel Morgan is a self-contained camping area with its own eating, sleeping, and swimming facilities.

LY₄C is an expansion of Lutheran Youth Ministries, Inc. whose home is in southern Illinois. Staff experience includes counselors that have participated in the LYM program for up to 35 years.

A Christian Summer Camp

fellowship and FUN!

July 8 - 13, 2007

CHRISTIAN SUMMER CAMP

If campfires, swimming, crazy games, and Christian fellowship sound fun to you, then you need to join us in Rutledge, GA at Hard Labor Creek State Park.

LY₄C is a weeklong camp experience for high school youth (just graduated eighth grade through graduating seniors.) Through our discussions, devotions, and late night Bible studies, you will find a new and exciting way to experience God's love. Worshipping is fun with LY₄C!

Camp is a wonderful opportunity to enjoy the great outdoors and to meet new friends from all over the United States especially in and around Georgia.

CHRISTIAN FELLOWSHIP

LY₄C is a planned program which culminates in a worship service on the last evening of the week. During the week, the young adults prepare an altar, candles, the sermon, and even choose what music they wish to accompany the service. The teens choose what category they wish to participate in as well.

The service will be conducted by an ordained Lutheran Church Missouri Synod pastor. The pastor and other leaders will present challenging discussions and group activities each day of the week.

Be devoted to one another in brotherly love. Honor one another above yourselves. Rom 12:10

FUN!!!

Throughout the week, various group activities are planned specifically for teens. Many of these games and activities are designed from scratch and cannot be found elsewhere. The staff who designs these games and activities has over 50 years of combined experience with youth summer camps.

The group activities range from large strategy games that take two or three hours to play, to short relay-type events. There is also plenty of free time for socializing with friends. There WILL be something fun for everyone!
