Captain's Message-Tom Knoflick

Our club membership now stands at 100. While this is great news, it also brings additional concerns. Some of these concerns include the pace of play, the number of golfers playing, and whether we might need to play both the front nine holes and back nine holes.

Our Niner's Board of Directors met with Jim Knight to discuss using both the front and back nine holes next year. We will be placing this on the golf calendar.

In the meantime, we Niner's must play "READY GOLF". A list of recommendations has been posted on the golf web site and posted on our bulletin board.

Don't forget to sign up for the August 25 golf tournament with the Men's 18 Hole Club. You must fill out the envelope at the pro shop and include the \$5.00 entry fee.
