Special Guests: Penn Valley Paramedics (Emergencies Allowing)

Captain's Message-Mike Lesnewsky

Lady 9ers need help for their invitational on August 21st. Please help the ladies out and call Nancy Smith 432-9565 to volunteer.

A reminder we are here to have fun, so feel free to use the black tees just remember to enter your scores as such. The computer will automatically adjust the scores.

A special message from the Pro Shop, if you are going to play golf after hours, please call the pro shop and notify them. The marshals will have a list of approved players. Don't just walk on.

Get involved; it is to your benefit to attend golf committee meetings held the second Tues. of each month in the Cedar room @2PM. Don't forget copies of the golf master plan are available in the administration office.

With the dryer weather greens take longer to recover from divots and pitch marks. Please don't forget to fix divots and pitch marks, your help will make a difference!

The Pro Shop has free divot tools, just ask for one.
