Captain's Message-Tom Knoflick

Our Odd Couples Golf Tournament with the Lady Niner's was a great success. Over 90 golfers competed in teams of four (two women and two men). Flight A played the front nine holes and flight B played the back nine holes. There were three winning teams in each flight (see below for the results).

Just a reminder that the Women's Invitational Golf Tournament will be played May 27, 28, & 29. Volunteers are still needed and the sign-up sheet is on the outside bulletin board near the ice machine. It may also be an opportune time to plan a road trip to Beale or some other golf course with your buddies.

Likewise, the Men's Invitational Golf Tournament will be played June 11, 12, & 13 and volunteers are also needed, so please sign up to help.
