Special Guest: Rick Levy NCGA Tournament Official

Captain's Message-Mike Lesnewsky

By popular **request** Rick Levy will join us again to answer your questions regarding those pesky Golf Rules.

Dues Reminder: Dues are due in December, but to pat ourselves on the back, they will be staying at \$50 for another year. What a deal, you pay \$50, and get a dinner for 2 (Annual Barbecue) drinks included and a free Breakfast. Some of you will even win a Turkey....all for a low annual fee. You can drop your check off in the Men's Locker Room, just put it in the envelope on the Bulletin Board or mail it to John Short @ 18223 Hummingbird Drive.

On December 18th we will be holding our annual meeting with the election of officers. If you are interested in being on the 9 hole Men's Golf Club Board of Directors, please call Ray Gutendorf.

With the arrival of wet and cold weather it is important that we remember to keep our wheels on the pavement and protect our golf course. Don't forget to check for Frost Delays.

A reminder we are here to have fun, so feel free to use the black or red tees just remember to enter your scores as such. The computer will automatically adjust the scores. Hopefully we will soon see forward tees (we just don't know which holes yet). The blue tee on 13 will soon be open; this will create new challenges for our long ball hitters.

Bob Martin **2008 Golf Calendar**

The 2008 Clubhouse/Golf Calendar is ready for approval by the Lake Wildwood Board of Directors. Here are a few dates of special interest to Men 9ers.

- April 8 – Greens Aeration – Tee times for us instead of a shotgun.
- May 6 – *Odd Couples Tournament* at 8:30.
- June 3 – Our picnic at 4:30-7:00 in Commodore Park.
- August 26 – Men 9 Holers and Men 18 Holers 11:00 shotgun.
- September 9 – Greens Aeration – Tee times for us instead of a shotgun.
- November 11 – 8:30 instead of 11:00 (18 Holers Turkey Shoot)
- December 2 – The last regular shotgun for 2008. The rest of the year is open play.

Frost Delays

Ken Wolford reminded us that the season for *Frost Delays* is now here. We should remember to call the *Golf Line* (432-3900) on days when we have a tee time reservation to check for a frost delay and shotgun. It's no fun freezing your posterior off in a golf cart for an 8:00 tee time only to discover there is now a 10:30 shotgun.

Memorial Trees on the Golf Course

The large oak that was cut down by #17 green is still scheduled be replaced by Thanksgiving. In fact two new trees should be soon planted in the vicinity of #17, maybe even by the time that you read this.

Carlis Gilbert is leaving us

Most of you probably already know, but, if not, tomorrow (11/21) is Carlis' last day. He is moving to Texas. Be sure to wish him a *bon voyage*.

Inlaid Mats at the Pitching Practice Area

Ken Wolford plans to start soon to inlay new mats at the practice area to be used instead of pitching off of the artificial turf, which has been found to be very unsatisfactory. He believes that simply installing them on the sub-surface will be a satisfactory and least expensive approach and will maintain the same surface height as the artificial turf. If it should become necessary, he will go to the more expensive approach of providing a concrete base.

Do you want more Golf Committee Information?

If you do, **Doug Dorfmeier** writes a monthly summary of the most recent meeting of the Golf Committee for the TWI. Finally, the minutes of the most recent meeting is posted to the Internet and is accessible from the Lake Wildwood web site. If you need help navigating to this the first time, call me (-8892) and I'll talk you through it.
