

September 2008

Captain's Message-Tom Knoflick

Jim Knight will be our guest speaker on Tuesday, September 16. The primary topic of discussion will be the rules for Match Play Golf Tournaments. He may also discuss the differences between Best Ball and Scramble tournaments.

The Women 18 Hole golfers recently introduced me to a new golf term that I hadn't heard of before. It is called FISH and refers to a golfer that whiffs his/her tee shot. Any guesses as to what it is????

In last month's message, I wrote about several ways to speed up the game by playing Ready Golf. Well, you must have read it and put it into practice because the past two Scramble Golf Tournaments were both played in about two hours. Congratulations!!!

Please remember to call the Pro Shop for tee times on Tuesday, September 9, due to Greens Aerification

UPCOMING EVENTS

September 2 & 9: Qualifying rounds for the 9 Hole Club Championship. Match play in the following weeks.
