Captain's Message-Tom Knoflick

Roots and Wings will be holding their annual Golf Tournament on Sunday. October 4. This is a major fund-raising event and proceeds are distributed to the local schoolchildren through the local schools.

This Tuesday we will have several children from the Pleasant Valley and Williams Ranch schools speak to us about the special skills they have learned as a result of the funding they have received. They will also bring with them actual projects that they have worked on, thus demonstrating their skills.

I urge each of us to support the Roots and Wings efforts. This can be accomplished by playing in the tournament, donating money, or volunteering to help with the tournament.

supported the Music in the
Mountains Charity Golf
Tournament on August 30, and
helped make it such a success.*

Golf Committee News

Dave Kedie's report on the Golf Committee meeting 9/8/09

1. Gerry Galvin Committee Chair called meeting to order at 2:00pm.

12. Roll Call: Committee members present: Gerry Galvin, David Kedie, Joan Bundick, Ed Lauchner, Mike Byrne, Shari Davis, and Steve Micheli. Liaison personnel in attendance: Ken Wolford, Terry Theis, Gary Turzak, Jim Knight, and Bob Pleski.

13. Greens aerification will begin next week. Tues. Sept. 15th, Wed. Sept. 16th and Thurs. Sept. 17th. The fairways, surrounds and tee boxes will follow with completion in mid October.

14. Special Projects: Gary Turzak

Construction of forward tees is set to begin. Gary is asking for volunteers. Gary stated the work would start on October 15th at 8:15am.

15. Club Reports

Men 9H – Dave Kedie

Due to increase in membership, the men will be expanding to all 18 holes on Tuesday afternoons starting April 1, 2010.

.

6. New Business

a. LWW policy for Charitable Tournaments – Terry Theis

Historic Charitable events – Roots and Wings and Music in the Mountains are approved.

b. Steve Micheli made a motion to write a document to TWI relating to the signature dead tree on #12. This document should explain the current condition of the tree and mention some possible replacement solutions. The Golf Committee, after discussing the matter, agreed and voted (7/0) to publish an article

A full version of the minutes can be found on the LWW Web site.
