Special Guest for the October Breakfast: Rick Levy NCGA Tournament Official

Captain's Message-Mike Lesnewsky

A reminder we are here to have fun, so feel free to use the black tees just remember to enter your scores as such. The computer will automatically adjust the scores. With the approval by the board, golf maintenance will have the funds to build forward tees on 13 & 14. This will make our game that much more fun! Thanks to the Lake Wildwood Board of Directors. The blue tee on 13 will soon be open; this will create new challenges for our long ball hitters.

Obviously aeration is taking place, which means the greens are really delicate, please remember to replace divots and repair pitch marks, even if they aren't yours. The Pro Shop has free divot tools, just ask for one

Get involved; it is to your benefit to attend golf committee meetings held the second Tues. of each month in the Cedar room @2PM. Don't forget copies of the golf master plan are available in the administration office.

Bob Martin is working on the calendar for 2008, if you have any input please give him a call.

If you are interested in being on the 9 hole Men's Golf Club Board of Directors, please call Ray Gutendorf, he is making interview appointments, as there are so many interested parties.

LWW Rules Changes

Last month the *Board of Directors* accepted a number of rules changes that were recommended by the *Golf Committee*. A comprehensive article explaining what and why will appear in the next issue of **TWI**. The following is an *executive summary* of these changes published for your convenience. Please refer to the **TWI** article for “the rest of the story”.

Points for Guests

If you reserve a tee time for a group of people some of whom are guests, you will no longer incur point charges for the guests.

7-day Draw

On or about January 1, 2008, the draw for tee times will occur one week (7 days) before the day of play instead of the current three (3).

Outside Tournaments and Charges

The fundamental changes here are 1) to allow multiple outside tournaments and 2) to allow LWW to charge a tournament for the use of the course.

Golf Master Plan Fund

A new rule will establish the *Golf Master Plan Non-Capital (Maintenance) Fund*, which will allow accumulation of funds from year to year to pay for implementing some of the *Golf Master Plan*.

- ❖ No matter how bad your last shot was, the worst is yet to come
- ❖ Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water.
- ❖ Golf balls never bounce off of trees back into play. If one does, the tree is breaking a law of the universe and should be cut down.
- ❖ A severe slice is a thing of awesome power and beauty.
- ❖ The last three holes of a round will automatically adjust your score to what it really should be.
