**RE:** Sandor Bercsenyi – Company Reference

To Whom It May Concern:

Sandor Bercsenyi has worked with Alpha Translations Canada Inc. on a freelance basis for translation projects for several months.

We found Sandor to be very hard-working, reliable, and responsible. From the outset, he was responsive and open to new ideas, as well as flexible with regard to his availability. His skill and high personal standards were demonstrated in all material with which he provided.

Communication is an important quality for employees of Alpha Translations; the same applies to any freelancers we engage. Sandor was very forthcoming and demonstrated repeatedly that he was interested in feedback.

We are happy to recommend such a dedicated worker.

Yours sincerely,

Tanja Mueller  
Alpha Translations Canada Inc.
