Re: Sandor Bercsenyi

EITI Ltd supply interpreting, translation and communications services to businesses and public authorities worldwide.

Sandor Bercsenyi has worked with us as a freelance translator for the last ten years.

During that time he has undertaken many projects and always performs his tasks with great attention to detail and commitment to deadlines. In addition, his bright and cheerful character makes him a real pleasure to work with.

I have no hesitation in recommending Sandor as a translator and feel that he would be a great asset to any organisation.
