SPORT & DESIGN

Alloy wheel 5.0J x 14" **Fine**, ET 35
for tyre 165/70 R14 (CCB 409 001)

Dashboard trim, six-piece set for cars
with sliding box under the car radio (DAA 409 001),
without sliding box under the car radio (DAA 409 002)

Protective door sill covers with aluminium insert,
four-piece set (KDA 409 001)

Protective door sill covers with carbon foil,
four-piece set (KDA 409 002)

You too can simply give your Fabia more sporty look. Fine alloy wheels together with decorative door sill covers are just the products to make the look of your car more

attractive. Fine alloy wheels are also suitable for use during the winter leaving your Fabia with a sporty image all year round. Dashboard trim will perfectly liven up the interior.

COMFORT & UTILITY

Front window wind deflectors (KCD 409 001)

Mechanical sunroof (KCA 409 001)

Running lights
(BEA 409 001A)

Arm rest
(DAO 409 001)

Additional air lumbar bolster
(DMC 009 001)

Our product range of course also includes items, which provide you with a greater level of comfort during your day-to-day travels. An armrest or additional air lumbar bolster will certainly come in useful on longer journeys.

Use of window wind deflectors is a simple way to restrict aerodynamic noise when the windows are opened and thanks to a sunroof, you can easily create a more pleasant atmosphere in the car.

COMFORT & UTILITY

Netting boot pockets,
two-piece set (DMA 429 001)

Clothes hanger
(DMR 009 001)

Protective rear bench cover
(DMA 009 001)

Double net between front seats
(DMA 009 002)

Front power windows
(BFB 409 001)

You no longer have to put your jacket or coat on the seat, but you can conveniently hang it on a clothes hanger. Everything you need to have at hand during your trip can

easily be stored in the practical double net between the two front seats. Other small items can be stored in the netting pockets in the boot.

TRANSPORT

Non-detachable tow bar for Fabia (EEA 419 001); for Fabia Combi and Sedan (EEA 429 001)

Electric components with 7 pin socket (EEA 419 001 EL1)

Electric components with 13 pin socket (EEA 419 001 EL3)

Bicycle carrier for a tow bar, capacity 2 bicycles, foldable (LBT 009 005)

Bicycle carrier for tow bar, capacity up to 3 bicycles (LAI 009 001)

In order to be able to conveniently also use a trailer with your Fabia, we offer non-detachable tow bar, which can also easily be used for transportation of bicycles. Cycling enthusiasts will certainly appreciate the possibility of

transporting their bikes on special carriers. Two practical and stable bicycle carriers are on offer in our product range equipped with an ingenious attachment to the towing hook.

SAFETY

Snow chains for 13" wheels
and tyres 155/80 R13
(CEP 409 001)

Snow chains for 14" wheels
and tyres 165/70 R14, 185/60 R14
(CEP 409 002)

Mechanical drive locking system for manual transmission
for cars before CW 22/2006 (DVC 409 001),
for cars from CW 22/2006 (DVC 409 001A)

Emergency light kit (GGH 009 001)
Spare light stick (GGH 009 002)

You can find yourself in various different situations during your travels, so we offer several products, which allow for a significant improvement in safety not only for you, but also for your car. This mainly concerns snow chains, which

you will appreciate when driving on snow-covered roads. We also offer mechanical drive locking system for reliable protection of your car and with the aid of our emergency light kit you can visibly mark your car in difficulties.
