**THIRTY
YEARS!**

**WHEN DID THAT
HAPPEN?**

30 YEARS! I can't be THAT old...

Can I?

Do you feel like the morning after, when you haven't been anywhere the night before?

Do people call at 9 p.m. and ask, "Did I wake you?"

Do you feel like you finally got your head together, and now your body is falling part?

Does it take longer to rest, than it did to get tired?

The idea of weight lifting is standing up.

"Getting Lucky" if finding your car in the parking lot.

Or, you have a party and your neighbors don't even notice!

Okay, how many of you had to get your "reading glasses" out before starting this? Yep, its been thirty years all right and we want to celebrate that fact!

Are we crazy or just glutens for punishment? Maybe both... but we would love for you to join us for abundant appetizers, music from the 70's and good "old" fun.
