

"Hypoglycemia and Thyroid condition made any thought of losing weight all but impossible. Sleep Apnea was a warning sign for me. When you wake up in the middle of the night gasping for air due to lost oxygen to the brain, something's wrong. I don't know where I'd be today had I not found Herbalife Products, but I know I might not be alive today. Herbalife Products work. I'm living proof of that!"

**Mary Ann Marcantel
Herbalife Distributor**

**Candida
Fibromyalgia
Sleep Apnea
Acid Reflux
Overweight**

Product Results:

- **NO more Sleep Apnea**
- **NO more Acid Reflux**
- **NO more Fibromyalgia Symptoms**
- **50 lbs of weight loss and Size 16/18 to 6/8**

**50 pounds
Size 16/18
to 6/8**

Products I use:

- **Formulas 1, 2, 3** for balanced nutrition
- **Cell Activator®** for full absorption
- **Aloe Vera Juice** for Acid Reflux and digestive health
- **Niteworks™** – 3 days and sleep apnea gone!
- **Cell-U-Loss®** for water retention and cellulite
- **Joint Support** to repair cartilage
- **Garden 7™ and Herbalifeline®** to improve joint health
- **Total Control®** for enhanced metabolism
- **Herbal Concentrate** for energy and antioxidants
- **Tang Kuei** to relax muscles (relieve pain)
- **Schizandra and RoseOx®** for protection against allergies
- **Florafiber** for good bacteria and to fight Candida

If I can lose weight and improve my health with Hypoglycemia and an under-active Thyroid, anyone can. You just have to be willing to take the Herbalife Products and make them a part of your life. Herbalife Products work! I'm living proof of that!
