
New Chairman's Club Members

Brazil – January 2005

Congratulations to New Chairman's Club Members

Pedro & Juliane Cardoso

Pedro started his activity in Herbalife in 1992 when he was a logistics supervisor in a multinational cosmetics company.

He quickly qualified as a Supervisor and President's Team by the end of his first year. In only three years doing the business, his monthly earnings are over 100,000 USD per month.

"I started the business just to get an extra income, but at an event with the founder of Herbalife, MARK HUGHES, I learnt that if I seriously dedicated myself, with hard work and a positive attitude, I could become rich! And, BECAUSE I BELIEVED, I did become rich! Today I have a fantastic life with my wonderful family and live in the best place in the world".

On 1st January 2005, he becomes Herbalife's 25th Member of the Chairman's Club.

Today, Pedro & Juliane live on an island in Brazil and enjoy all the benefits only Millionaires can; they travel all over the world and spread the word of good nutrition!

**Congratulations Pedro & Juliane.
We are proud to welcome you to the prestigious Chairman's Club!**
