### Allergies Acid Reflux Diabetes Risk

*"I've suffered with allergies for most of my life. 4 different allergy medications, shots and 2 inhalers could not keep me from getting sick at least 4 times a year until I was introduced to **Herbalife products!**"*

What kind of quality of life can you have if you're sick all the time? Not much. Everyday was a struggle for me with allergies and the acid reflux every single night only made it worse. Thanks to Herbalife products, my allergies and acid reflux symptoms are a thing of the past!
