**July 24, 2009**

Doors Open at 6:59PM

Show Starts at 7:35PM

**X-ACT Theater**

**45 East 2<sup>nd</sup> St**

**Xenia, OH 45385**

## Magicians

### Come to Xenia

This *two hour* magical event is the perfect opportunity for you to see magic up close and personal. The magic happens right before your eyes! There aren't two hundred people sitting in front of you or a huge stage a hundred feet away. You can sit so close to these magicians that you can reach out and touch them.

*The Magic can happen in your hands!*

## Magic in 6 Acts

The magic will be presented in six acts. Each act will have a professional magician and host from the Society of American Magicians (S.A.M.) Assembly 56, to entertain, amuse and mystify you.

### The Magicians

Bill Alexander  
Dave Davis  
Scott Miller  
Craig Morgan  
Shayna Reed  
Mathew David Stanley

### The Hosts

Paul Burnham  
Stan Goode  
Stephanie Griswold  
Mike Herrick  
Larry McMechan  
Jessica Reed

## X\*ACT

Xenia Area Community Theater, and its Board of Directors, are committed to the progress of the City of Xenia, specifically the revitalization of our Downtown. Our Downtown is one of our most important assets.

The Second Act Thrift Store is our new thrift store at 45 East 2<sup>nd</sup> Street in Xenia and opened on June 19<sup>th</sup>, 2007. We welcome donations of all sorts of things. We ask that the donations be in nice condition. You never know what you might find!

*Orion Monroe*  
*X\*ACT Executive Director*

### Society of American Magicians (S.A.M.) Assembly 56

Society of American Magicians (SAM), founded on May 10, 1902 in Martinka's famous magic shop in New York City, New York, is the oldest and most prestigious magical society in the world. For over a century it has promoted the ideals shared by Kellar, Houdini, Thurston and over 30,000 others world-wide who have held membership in the society. These ideals include the elevation of the Art of Magic, the promotion of harmony among magicians, and the opposition of the unnecessary public exposure of magical effects.
