The Year 2006

Well, the Year 2006 has come to an end and Manilow Lovers has grown significantly throughout the year. Thank you to everyone who has joined our club and we look forward to another great year in 2007.

Manilow Lovers officially met after the October 2006 concert in Atlantic City, which was graciously hosted by Cathy Reilly.

Good Morning America October 30, 2006

The Barry-Frenzy

The Barry-Frenzy was huge in 2006 with his CD releases of “Greatest Songs of the Fifties” and “Greatest Songs of the Sixties”. The concerts on the East coast consisted of Atlantic City and Madison Square Garden (in 2007), with appearances on Good Morning America, The View, Rachael Ray, Megan Mullally and Martha Stewart to name a few.

**Atlantic City -
After Party at BullShots Bar & Grill**

We met at BullShots a quaint sports bar located on Pacific Avenue across from Boardwalk Hall in Atlantic City after the concert. Barry was covering the walls and drinks were even named after him! They even replaced the sports video with Barry's Ultimate Manilow show!

Fund Raising

Manilow Lovers had their first official fund raiser for the American Cancer Society. We asked the members for a donation for which we put their names into a hat to choose two winners.

The first-place winner was Diane Menella. She won an 11" x 17" copy of the handwritten music to Barry's "One Voice".

Our second-place winner was Judy Stern. She won a huge promotional banner for Music & Passion from the Resorts Casino in Atlantic City, advertising Mr. Manilow's October 14th 2006 performance at Boardwalk Hall. The banner measures approximately six feet long and five and a half feet wide (74" long by 68" wide), and the picture of Barry is larger than life!

Thank you everyone who donated. We raised \$435.00 for the American Cancer Society.
