

2. A huge promotional banner for Music & Passion from the Resorts Casino in Atlantic City, advertising Mr. Manilow's October 14<sup>th</sup> 2006 performance at Boardwalk Hall. The banner measures approximately six feet long and five and a half feet wide (74" long by 68" wide), and the picture of Barry is larger than life! This would make a wonderful mural on the wall of your Barry Room. We are also including a small sign from the Boardwalk Hall Box Office, which reads, "Barry Manilow in Concert, October 14, 8:00 PM." Sign is light blue and measures 36" long by 3-1/2" wide, and a copy of "At the Shore" Newspaper with the review of Barry's AC show.
